

## Major Home Repair Programs for Polk County Homeowners

### **1. Major Home Repair**

This is a program offered to low income elderly and disabled homeowners for the purpose of keeping them in their home by providing needed repairs.

There is no repayment required for funds issued for repairs.

The eligibility rules:

The income limits are based on government poverty guidelines.

100% assessed value of the home should not exceed \$60,000.00

The cost of necessary repairs and any past repairs should not exceed 10% of the assessed value of the house.

### **2. Lawn mowing and Snow Removal Services**

These programs are also offered to eligible and disabled homeowners.

The qualifications are the same as for the Major Home Repair program.

To apply for the major home repair, snow removal, or lawn mowing, call the General Assistance Office at 286-2088.

An application can usually be completed over the phone. For specific questions call Dan Womble at 286-3385
